

Did you know that you have a vehicle donation program working for you? In early 2022 Donate A Car Canada partnered with CanadaHelps as a means to disburse funds to any registered charity in Canada! Through CanadaHelps, these funds can be sent to **Help Our Students Program (HOST Program)** directly, and your donors will be issued a tax receipt with no additional work from your charity.

Many potential donors don't know that they can direct the funds from their vehicle donation to your charity, but we provide tools to make sharing this method of donation easily accessible to your supporters. Our partnering charities receive a custom donation form and many pre-written social media posts, graphics, newsletter inserts and more!

Donate A Car Canada is a reputable vehicle donation program that has been processing automotive donations for over 18 years. We currently have thousands of partnered charities, and we are always open to serving any charity that wishes to join in benefiting from this form of charitable giving.

What do we do?

- A donor phones us or submits their vehicle donation online.
- They choose ANY registered Canadian charity to gift with the proceeds.
- We pick up their vehicle at no cost to them, and then either recycle or resell it.
- We receive payment for the vehicle and distribute the net proceeds to the donor's chosen charity through CanadaHelps.
- The charity receives the monetary donation, and CanadaHelps issues a tax receipt to the donor.

Some important things to note:

- We look after ALL aspects of the car donation process from start to finish.
- There are no fees or costs for a charity to partner with us.
- There are no fees or costs for the donors.
- The funds received from the charity are treated as a cash donation.

Partnering with us is easy!

In partnership with Donate a Car Canada, we ask that you make your current supporters aware of this new way to give by placing our custom vehicle donation link on your website. Once partnered with us, we will also add your mission statement and logo to Donate a Car Canada's list of participating Charities. This will allow our many visitors and donors to select your charity from our website as their charity of choice.

Let us know if your charity would like to partner with us, and we will gladly send over the details! If you have any questions, feel free to reach out to us through charitycare@donatecar.ca, or 1-877-250-4904. We're always happy to help!

Excitedly,
