

# WOULD YOU CHANGE A LIFE FOR \$160?

The Help Our Students Program (HOST Program) was founded by two local friends to help Ottawa students living in difficult financial circumstances stay in high school until they graduate.

Help Our Students  
PROGRAM

*“I used the Host Program award to help me stay in school. I had to stop my part-time work due to my depression being so severe. The Host Program gave me money to stay in school during those rough times.*”

*It is really important that I am capable of providing for myself because my mother is a single mother, and she cannot always provide for me.”*

Allyshia is currently on scholarship at Carleton University towards a Forensic Sciences degree.

The students that are selected by their school are working hard to stay in school but it isn't easy. In far too many cases, they don't know when their next meal will be. Many need to either quit school to get a job to support their family or take on too many part-time hours that cuts the amount of time they have for schoolwork.

The HOST Program gives them \$160 per month (September to June).

It gives them **hope** that they may be the first in the family to graduate high school, **hope** to go to college or university, and **hope** to realize their dreams.

*Change a life. Help another student graduate high school.*
